

30-10-10 partnership card

I am partnering with
..... for the duration of these 30
days.

This means that we will both commit to the 10 minutes of Scripture reading and 10 minutes of prayer each day. We realise that this does not need to be done in each other's presence (although you can do it together if you wish).

By signing this card I am committing myself to pray for and support my partner and receive this from them also, as we journey into the mystery of tuning into God.

Support Partner (*signed*)

**The support and encouragement can take any form and any pattern of regularity that works for you both. Once signed this card is then to be given to the Support Partner to both encourage and remind them of their responsibility.*
